

Volunteer Role Description: Helper

DBS/PVG status: Required

Background

The Breastfeeding Network (BfN) aims to be an independent source of support and information for breastfeeding families and others.

It aims to:

- Inform, educate and support families in feeding and nurturing babies and young children;
- Enable communities to support breastfeeding through sharing information, training and volunteering;
- Contribute to evidence based policymaking for government, healthcare providers and educators;
- Promote the mental and physical wellbeing of mothers and babies through supporting breastfeeding

At the heart of our organisation are our volunteers who give their time to support other families in their communities, over the helplines and via social media. BfN Registered Helpers (peer supporters) can volunteer in a variety of different ways: in BfN breastfeeding drop-in groups, in hospitals, schools and in antenatal classes.

Main duties

- Volunteer on a regular basis alongside BfN 'Supporters' or health professionals, in a variety of different settings such as breastfeeding drop-in groups, in children's centres, in hospitals and health clinics
- Provide emotional support to parents and families
- Provide support with positioning and attachment
- Signpost parents to get further information and support
- Empower new parents and help them gain the confidence they need to breastfeed for as long as they wish and to normalise breastfeeding in our society
- Work within the BfN's code of conduct
- Attend regular supervision with a BfN Supervisor in line with BfN's Code of Conduct and Guidance Documents
- Maintain up to date knowledge of BfN's policies including Information Governance, IT, Safeguarding and Health and Safety
- Complete all tasks necessary to maintain current registration with the Breastfeeding Network
